

The number of health and wellbeing providers who accept the activa card is growing all the time, and we're committed to making sure that we've got your favourite merchants on board with activa.

Help us make activa better for you by telling us your favourite health and wellbeing providers – be they golf courses, gyms, pharmacies, or homeopaths, etc. If they don't currently accept activa we'll approach them on your behalf and invite them to join the activa network.
